Internal Medicine Physician Opportunity – Greensboro, NC

Practice Summary: Eagle Physicians & Associates, P.A., is a physician-owned, physician-led multi-specialty medical group of 50+ MDs (5 are internal medicine physicians) serving the Greater Greensboro area. Eagle's residency-trained, board-certified internal medicine physicians care for their own patients in the office while hospital rounding is covered by the Triad Hospitalists. Eagle Internal Medicine emphasizes clinical excellence, evidenced-based diagnosis and treatment, teamwork, continuity of care, good communications, professionalism, outstanding service and maintaining a highly collegial atmosphere. Eagle has seven well-established primary care offices in Greensboro and one neighboring community, and also operates an afternoon, evening and weekend walk-in care (urgent care). Consultations from board-certified physicians in gastroenterology, endocrinology, sleep, sports medicine and pediatrics is readily available within Eagle's other specialties. The full spectrum of other consultative and referral services is available in Greensboro from members of the Moses Cone Health System medical staff.

The flu vaccine is mandated as a condition of employment, absent qualified exemption.

Internal Medicine Opportunities with Eagle: Eagle is currently recruiting an internal medicine physician. Additional information about Eagle's providers is available on the Eagle website www.eaglemds.com Eagle offers a competitive financial guarantee and a comprehensive fringe benefit package during the first year with the group. Shareholder-ship is offered after 1 – 2 years.

Hospital Information: Hospital admissions are at Cone Health, or Wesley Long in Greensboro, all of which are part of the Moses Cone Health System (MCHS). At the 2 MCHS hospitals in Greensboro, there is a comprehensive range of secondary and tertiary level diagnostic and treatment services and 800+ beds. The internal medicine residency program at MCHS is affiliated with UNC Medical Center- Chapel Hill.

Community Information: Greensboro is a city of 300,000 people, with a regional population of approximately 1 million. Greensboro is located in the central "Piedmont" area of North Carolina, within easy driving distance of both the mountains and the beach via Interstate 40 and several other major highways. There is a four-season climate (winter is very short and moderate!). The Piedmont Triad International airport in Greensboro has many different airlines and 65+ flights daily, direct to major cities in the East, South and Midwest. Arts, education and recreation opportunities are plentiful in Greensboro, including 4 colleges and universities, the prestigious Eastern Music Festival, a great park system with lakes, bike trails and gardens, a variety of public and private schools, numerous organizations and clubs to engage nearly every possible interest, and a regional shopping and convention center.
